To The Hon. Minister for Prohibition,
Government of Madras,
MADRAS.

SIR,

DATED 25th March, 1954.

Subject: Opening of 'Neera Parlours' in several centres - Coondapoor Taluk - South Kanara District.

Ref: No.

ASSISTANT SECRETARY TO GOVERNMENT HOME DEPARTMENT 1 APR 1954
PARLIAMENTARY SECRETARY TO THE MINISTER FOR PROHIBITION 31 MAR 1954 GOVERNMENT OF MADRAS

Secy, Home

Please acknowledge and have it examined quickly.
31.3.54.

The people of Coondapoor [illegible] have been agitating for opening of 'Neera Parlours' in several important centres of the Taluk, since a pretty long time. Their demands is being supported by Taluk Prohibition Advisory Committee as well as by the District Prohibition Advisory Committee by passing resolutions at their meetings. In response to their desire, the Government was pleased to sanction the opening of one such 'parlour' in Coondapoor town, though the demand was for opening not less than six centres in each of the taluks of the District. The said Parlour was opened by me on 8-3-54. It gives me immense pleasur

to point out that the said parlour is not only popular but also working very satisfactionly without the least ~~the~~ infringment of the Prohibition Act,. The following statics and the remarks of the distinguished visitors to the 'Parlour' will indicate the successful working of the same.

(a) Sale of 'Neera from 9-3-54 to 18-3-54.

Date.	No.of bottles sold.	No.of persons visited for consumption.	Sale proceeds. Rs.A.P.

(b) The Revenue Divisional Officer Coondapoor visited the Parlour on 15-3-54 and was pleased to write the following remarks. "Visited the Neera Parlour this afternoon at 4 P.M.

P.T.O.

along with some members of the Taluk Prohibition Advisory Committee. The arrangements in the Parlour ~~is~~ are kept neat and attractive. I am happy to see that it is pratronized by all classes of people without any prejudice. The person in-charge, the parlour is taking genuine interest to keep the working of ~~the parlour above blame~~".

(c) Besides the Revenue Divisional Officer and other distinguished perons namely Sri M.P. Hegde, Advocate - Member Karnatak Provincial Congress and Dt. Prohibition Advisory Committees and Sri N.S. Parameshwariah - Advocate - Vice-President Panchayat Board, who visited the parlour have paid glowing tributes to the proper and successful working of the parlour.

2. In view of the populatiry and the grand success the parlour is having, may I request the Government to open more such centres in Coondapoor taluk to cater the needs and long felt desire of thousands of people to have a daily sip of 'Neera which is admitted on all hands as a vital food and a nourishing beverage.

3. I may add that if more 'Parlours' are opened, it would give employment to large number of Ex-tappers who are thrown out of employment and who are leading a life of poverty and starvation on account of the introduction of prohibition.

Apart from this, these parlours may considrably check the illicit distilation and manufacturing of Arack and Toddy and thereby bring success to the working of Prohibition.

4. So I request you to sanction the opening of 'Neera parlours' in the following centres of Coondapoor taluk namely:- 1. Koteshwara 2. Basrur. 3. Gangolly. 4. Maravanthe. 5. Uppunda 6. Byndoor. 7. Tallur. 8. Navunda.9. Khambadakone. 10. Katta-Belthur. 11. Thekkatte.

Thanking you,

Yours faithfully,

Manjayashetty

It has been reported by the local officers that, at present, cocoanut trees are tapped only in five out of the eleven villages suggested, by Sri Y. Manjayya Shetty, viz.,Basrur, Uppunda, Kambadkone, Navunda and Maravanthe, and that neera parlours cannot therefore be opened in all those eleven villages. The Commissioner of Prohibition during his recent visit to South Kanara District has agreed with their proposals to open additional parlours only at Koteshwar, Maravanthe and Uppunda under the auspices of the respective jaggery societies of these villages. The Registrar of Co-operative Societies also agrees to these proposals. It is also considered that opening of neera parlours in the interior villages makes it difficult for the Prohibition staff to watch their working. The Board therefore requests that the Government may be pleased to accord sanction for the opening of a neera parlour each at Koteshwar, Marawanthe and Uppunda for a period of 6 months under the terms applicable to the parlours at Coondapur,Kaup and Moodabidri - vide G.O.MS.No.182,Home,dated 25-1-54.

The three neera parlours at Coondapur, Kaup and Moodabidri are reported to be working satisfactorily without giving room for malpractices. The Board recommends that these parlours may be permitted to function for a further period of one year.

Ranjagga Betty, M.L.A., Bur. the sitting Member for the area has objected to the opening of Neera parlours only in two villages out of three. It has not stated why they should not be opened in the remaining three villages viz Basrur, Kambadkone and Navunda. The BS. is therefore requested to state why Neera parlours should not be opened in the remaining three villages, viz. Basrur, Kambadkone and Navunda.

REFERENCE:-

It was brought to the notice of the Commissioner of Prohibition during his visit to South Kanara District, that as opening parlours in the interior would make it difficult for the Prohibition staff to watch their working, only three villages were recommended for the purpose by the local officers, viz. Koteshwar, Maravanthe and Uppunda. The Registrar of Cooperative Societies suggested that the question of opening neera parlours in the other places of Coondapur Taluk may be taken up if the proposed parlours at the three centres work satisfactorily. The Commissioner discussed with the local officers and agreed to the proposal made by them to open neera parlours at the three centres referred to above. The Board did not therefore include the remaining three villages, viz., Basrur, Khambadakone and Navunda in its proposals.

--:::--

The sanction for running the Neera Parlour at Koteshwar accorded in the Government Memorandum second cited will expire on 17.8.'55. The particulars of the business transacted at the Neera Parlour from 18.8.54 upto 31.5.55 are furnished below:-

1. No.of bottles of Neera Purchased.	...	47,191
2. Value of Neera Purchased.	...	Rs.7,293.
3. Number of bottles of Neera sold.	...	46,936
4. Value of Neera sold.	...	Rs.8,801.
5. Gross profit earned.	...	Rs.1,508.
6. Establishment & Contingent charges including sales-tax.	...	Rs.1,034.
7. Net profit.	...	Rs. 474.
8. Number of ex-tappers provided with employment by the Parlour.	...	15

2. It may be seen from the above particulars that the Neera Parlour worked at a profit. Besides being patronised by the public, the Neera parlour has provided employment to some ex-tappers. At the beginning, the society was paying 2 Annas per bottle to the tappers and as the business increased later on, it raised the rate to 2 Annas 6 pies per bottle. There is also scope for the Neera Parlour to improve its trade as it is located at a coastal belt, where there is usually great demand for Neera. The Deputy Registrar, Mangalore has, therefore, recommended the continuance of the Neera Parlour for another year. I agree with him and request that Government may be pleased to sanction the continuance of the Neera Parlour at Koteshwar for another year from 18.8.55.

6. Establishment and contingent charges including sales tax	Rs. 1,511/-	Rs. 716/-	Rs. 766/-
7. Net profit or loss	Rs. 498/- (profit)	Rs. 71/- (Profit)	Rs. 57/- (Loss)

It may be seen that, except the Kaup Neera Parlour, the other two neera parlours are working at a profit. The loss sustained by the Kaup Neera Parlour was due to the fact that the parlour was not located in the proper place. Later on the neera parlour was shifted to a market centre where there was great demand for the neera. It earned a gross profit of Rs.373/- during 53-54, out of which a sum of Rs.186-8-0 was provided for neera trade reserve in the audit report for 53-54. The Deputy Registrar, Mangalore has reported that neera in those centres has attained a high popularity as a delicious drink and is patronised by the public. Besides serving the public, the neera parlours provide employment to some ex-tappers. No case of misuse of licences has been noticed so far. In the circumstances, the Deputy Registrar has requested that the 3 neera parlours may be continued for another year. I agree with him and request that Government may be pleased to sanction the continuance of the three neera parlours at Coondapur, Moodabidri and Kaup for another year from 7-9-55, 19-9-55 and 20-3-55 respectively.

I request early orders.

I beg to submit the letter copy of the telegram I have sent to you today at 8.30 P.M.

" Secretary Govt. Home, Madras,
Pray orders extention Kaup Neera Parlour Co-operative Registrar's 94287/55 XI dated 24-7-1955.

President,
Jaggery Society, Kaup"

In the above connection I humbly beg to say that Kaup Neera Parlour has been opened as per G.O.MsNo. 182 Home Dept. dated 25-1-1954, and has been extended upto 19-8-1955(one Year) as per G.O.Ms No.1911 Home Dept. dated 29-6-1954. The Registrar of Co-operative Societies, Madras has prayed for extention in his 94287/55XI dated 24-7-1955. It is very inconvenient and troublesome affair in the public to close this parlour which was opened very beginning in South Kanara district. Besides this there are no bad remarks whatsoever brought to the notice of the Government hitherto. All the members of the Society are very much grieved and hope that justice will be done to them by their beloved Government as they are very poor tappers and have no livelihood than that of present one which is now stopped due to closure of the parlour.

I therefore humbly pray that I may please be favoured with an early telegraphic order granting extention

**

In their Memorandum cited as item (1) above, Government had sanctioned the continuance of the neera parlour at Koteshwar in South Kanara District for a further period of one year from 18-8-55 and in their memorandum cited as item (2) above, continuance of the neera parlours at Kaup, Coondapur and Moodabidri was sanctioned for a further period of one year from 20-8-55, 7-9-55 and 19-9-55 respectively. The period of sanction of the four neera parlours expires on the dates shown below:

1. Koteshwar Neera parlour ... 17-8-1956
2. Kaup Neera Parlour ... 19-8-1956
3. Coondapur Neera Parlour ... 6-9-1956
4. Moodabidri Neera Parlour ... 18-9-1956

2. The particulars of business done by those four neera parlours are indicated below:-

The Deputy Registrar, Mangalore recommends the further continuance of these neera parlours for a period of one year. In March last, Sri Y. Manjayya Shetty, M.L.A., represented that 'Neera Parlours' at Coondapur, Kaup and Moodabidri are becoming popular, working very satisfactorily and are patronised by all classes of people without any prejudice. In view of their popularity and grand success the member requested the Govt. to open neera parlours in the following centres of Coondapur Taluk:-

1. Koteshwara
2. Basrur
2. Gangolly
4. Marawanthe
5. Uppunda
6. Byndoor
7. Tallur
8. Navunda
9. Khambadakone
10. Kattbelthur and
11. Thekkatte.

The member also stated that if his request is granted it would give employment to large number of tappers who are thrown out of employment and who are now leading a life of poverty and starvation.

2. The Bd. of Rev. (Exc.) to which the matter was referred to for urgent remarks has stated that at present cocoanut trees are tapped only in the following five out of eleven villages suggested by

Sri Y. Manjayya Shetty viz.,

Basrur,

Uppunda

Kambadkone

Navunda and

Maravanthe

and so neera parlours cannot be opened in all the eleven villages. It is reported that the Commissioner of Prohibition who visited South Kanara recently has agreed to the opening of additional parlours only at Koteshwar, Maravanthe and Uppunda under the auspices of the respective jaggery manufacturing Societies of these villages. The R.C.S. has agreed to the opening of neera parlours in these three villages. The Bd. therefore requests that sanction may be accorded for opening neera parlours at Koteshwar, Maravanthe and Uppunda for a period of 6 months under the terms applicable to the parlours at Coondapur, Kaup and Moodabidri.-vide-para 2 of G.O.(Ms.) No.182 Home dated 25-1-54.

3. The Board has also reported that the three neera parlours at Coondapur, Kaup and Moodabidri are working satisfactorily without giving room for malpractices. The Bd. therefore recommended that these three parlours may be permitted to function for a further period of one year.

4. In the circumstances, it is for orders

i) whether sanction may be accorded for opening neera parlours at Koteshwar Maravanthe and Uppunda for a period of 6 months subject to the conditions laid down in para 2 of G.O.(Ms.) No.182 Home d. 25-1-54

and

ii) whether the three parlours at Coondapur, Kaup and Moodabidri may

be permitted to function for a further period of one year.

~~May be circulated to Govts. G.E. / M.(R.E.& P.) with reference to the minutes of ex.M.(P.) extracted on p.1 above.~~

D.L.C. may see & remarks, if any, before Circulation.

The proposals in para 4 above may be approved, D.L.C. may see before Cir.

The Board has stated that Coconut trees are tapped in the 5 villages mentioned at A in para 2 ante, but has agreed to the opening of toddy parlours only in two out of these five villages. It has not stated why they should not be opened in the remaining three villages viz. Kanbadkone and Navelim. Ask the Board why toddy parlours should not be opened in these three villages. The file may go to D.L.C after the issue of the Memo. to the Bd.

A draft memo is submitted for approval.

May be perused and returned to Home.

The Board's recommendation that toddy parlours may be opened at Aquem and
